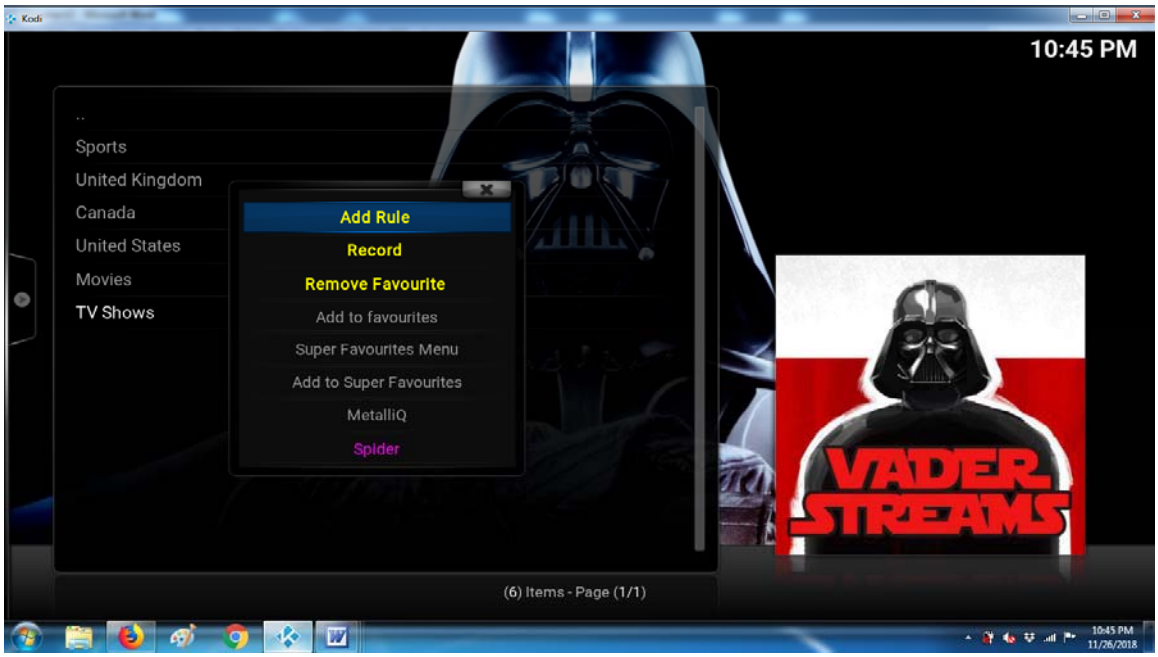
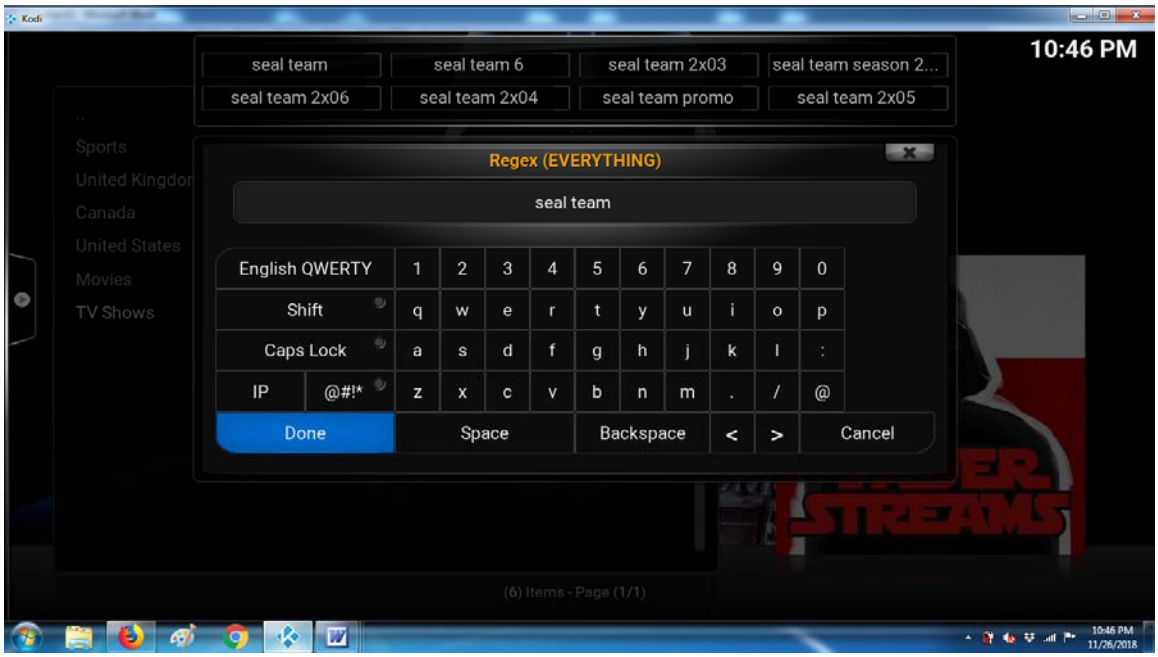
TO ADD A TV SHOW FROM THE VOD SECTION

If you want to record All the seasons of a tv show, scroll down to TV Shows and then press the Menu key (3 lines on remote, or C on a keyboard), this will bring up a context menu. Click “Add Rule”

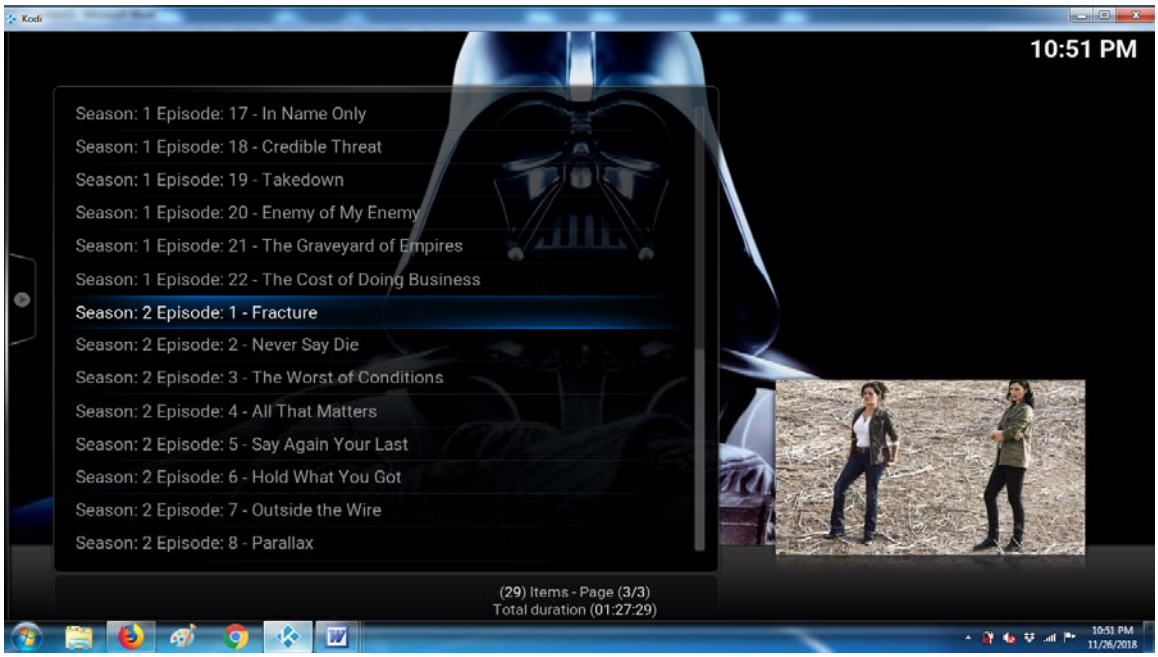


The rule will the name of the tv show, for example “seal team”, so first delete the “.*” from the window, then you could type “seal team”.
NOTE: If you typed “Chicago med” then only Chicago Med would get recorded. However, if you typed “chicago”, then if available then Chicago Med, Chicago Fire & Chicago PD would be recorded.



Recording will take place at midnight or click record in the main list to start recording.
NOTE: Do not try and watch a show while downloading.

If you wanted to only record the current season of a show and new episodes as they are added then do it like this.
Click TV Shows
Navigate to the show you want (SEAL Team) and click it to show all episodes



10:51 PM
Season: 1 Episode: 17 - In Name Only
Season: 1 Episode: 18 - Credible Threat
Season: 1 Episode: 19 - Takedown
Season: 1 Episode: 20 - Enemy of My Enemy
Season: 1 Episode: 21 - The Graveyard of Empires
